Doug Little  
Chairman  
Arizona Corporation Commission  
Commissioners Wing  
1200 W. Washington - 2nd Floor  
Phoenix, Arizona 85007

Mr. Chairman:

As an APS ratepayer and Sun City Resident, I strongly object to the APS recommendation for Mandatory Demand Charges.

With this mandatory demand charge, it could produce radically different charges every month. All of a sudden we would have spiked our kilowatt usage way up from what it normally is for a short period of time, but yet we are going to get stuck with a larger bill for that. I don't think that's right.

Residential demand charges are currently available as a choice. That is exactly where they belong.

Please vote against Mandatory Demand Charges.
